

Clinical Associate

Division of Gastroenterology, Department of Medicine, St. Michael's Hospital

St. Michael's Hospital is seeking a gastroenterologist for a minimum 6 month period starting on November 13, 2023, or shortly thereafter.

Clinical activities will include 2 half-day clinics per week as well as 2 days of endoscopy to support the outpatient practice of a luminal gastroenterologist until a fulltime replacement is found. There may also be opportunities to support the inpatient consultation service, participate in the weekend on-call rotation schedule as well as covering for the inpatient gastroenterology ward when necessary. There may also be opportunities to participate in undergraduate, ambulatory clerkship, and postgraduate teaching in conjunction with the clinical work.

The successful candidate will report to the Head, Division of Gastroenterology at St. Michael's Hospital. The successful candidate will hold an MD degree and should have, or be eligible for, certification in Gastroenterology by the Royal College of Physicians and Surgeons of Canada and licensure with the College of Physicians and Surgeons of Ontario (CPSO).

Applications will be accepted until September 25, 2023 or until the position is filled. Should you be interested in this opportunity, please forward a one-page statement of interest, curriculum vitae and the names and contact information of three referees to:

St. Michael's Hospital is part of Unity Health Toronto, the network of Providence, St. Joseph's and St. Michael's Healthcare. St. Michael's is a teaching and research hospital founded by the Sisters of St. Joseph in 1892 to care for the sick and poor of Toronto's inner city. Affectionately known as the Urban Angel, St. Michael's is renowned for providing exceptional patient care. As downtown Toronto's adult trauma centre, the hospital is a hub for neurosurgery, complex cardiac and cardiovascular care, therapeutic endoscopy, minimally invasive surgery and care of the homeless and disadvantaged. St. Michael's is also one of the province's major sites of care for critically ill patients. Fully affiliated with the University of Toronto, St. Michael's provides outstanding medical education to health-care professionals in more than 23 academic disciplines. Home to the Li Ka Shing Knowledge Institute, made up of the Keenan Research Centre and the Li Ka Shing International Healthcare Education Centre, the hospital integrates researchers, educators and clinicians to advance patient care.
