

Health Sciences North (HSN) Sudbury, Northern Ontario

Gastroenterology Practice Opportunities

Join Northeastern Ontario's health care leader

Health Sciences North/Horizon Santé-Nord (HSN) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Department of Medicine is currently recruiting two full time Gastroenterologists with academic interests. The gastroenterology service includes two other busy gastroenterologists providing general gastroenterology, ERCP, esophageal motility assessments, and capsule endoscopy. There is capability for EUS for candidates with appropriate training. Interest in hepatology or training in advanced therapeutics (including endoscopic ultrasound) are considered assets.

Currently, members participate in Internal Medicine call of 1:15. A standalone GI consult service and call group is expected to be in place by June 2020. Successful candidates will be required to seek faculty appointment at [NOSM](#). Opportunities to participate in research are also available through [HSNRI](#).

Candidates must have obtained specialty qualifications from the Royal College of Physicians and Surgeons of Canada and be independently licensed or eligible for licensure in Ontario; qualified restricted or academic physicians will also be considered on a case by case basis.

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore the practice opportunity and the City of Greater Sudbury.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities! Sudbury is a bilingual community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions. Physicians who practice full-time in Sudbury are eligible for the Northern and Rural Recruitment and Retention Initiative (\$80,000 over first four years of practice).

Interested individuals should send a letter of interest and CV to the Medical and Academic Affairs office, by e-mail to bpugliese@hsnsudbury.ca or by fax to 705-523-7041.
