Assistant Professor (Clinical)

Faculty of Medicine – Department of Medicine, Division of Gastroenterology, St. Mary's Hospital Centre

Position description

The Department of Medicine of McGill University invites applications for a full-time position as a member of the Contract Academic Staff as a clinician-teacher at the rank of Assistant Professor. This ranked position within the Contract Academic Staff does not confer eligibility for tenure.

The Department of Medicine is a leader in academic medicine, our educational and research missions support excellent and innovative clinical programs across our teaching hospitals. St. Mary's Hospital Centre is one of McGill's major teaching hospitals affiliated with the Faculty of Medicine at Canada's internationally renowned McGill University, located in the vibrant and multicultural city of Montreal, in the province of Quebec.

Job Duties

The candidate is expected to provide the following Gastroenterology clinical services: Endoscopy Clinic, Consult Service, General Outpatient Clinic and cover evening and weekend on-call duties.

The incumbent is expected to assist the academic program in clinical innovation in the Division of Gastroenterology.

The candidate is also expected to be actively involved in all aspects of McGill's academic mission (teaching and supervision of clinical trainees, graduate students and involvement in academic and administrative committees) and will be expected to demonstrate a commitment to equity, diversity and inclusion in these activities.

Qualifications and Education requirements

Candidates must hold an MD degree and must have completed specialty training in Gastroenterology, be Royal College certified (or equivalent) and be eligible for licensure in Quebec and certified by the Collège des médecins du Québec. At least one additional year of clinical and /or research training is required.

Applicants should also have experience in conducting clinical studies and have strong leadership qualities.

All candidates must be fluent in English with a working knowledge of French.

to the attention of: Dr. Gaetano Morelli, Gaetano.morelli@mcgill.ca

McGill University is committed to equity and diversity within its community and values academic rigour and excellence. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to engage productively with diverse communities.

At McGill, research that reflects diverse intellectual traditions, methodologies, and modes of dissemination and translation is valued and encouraged. Candidates are invited to demonstrate their research impact both within and across academic disciplines and in other sectors, such as government, communities, or industry.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate's record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through [accommodation policies and procedures](#). Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, this [email](#) or phone at 514-398-2477.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
