Description of the Offered Position:	<p>St. Mary's General Hospital and Grand River Hospital are currently seeking a Gastroenterologist, preferably with training in therapeutic endoscopy (including ERCP), to meet the growing needs of the Kitchener-Waterloo area. As the largest central community in one of Canada's fastest growing regions, Kitchener-Waterloo offers the very best of multicultural, large urban centre living and vibrant city life with the warmth and tight-knit community associated with smaller towns.</p> <p>The Hospitals www.grhosp.on.ca and www.smgh.ca</p> <p>Grand River Hospital and St. Mary's General Hospital are two separately governed hospitals that function as an integrated system with well-defined and complementary clinical programs to serve both the local community and the region. Each hospital has acute care ED services with patient volumes reaching approximately 55,000 visits/annum. St. Mary's General Hospital is a Regional Cardiac Care Centre and a Centre of Excellence for Respiratory and Thoracic Care. Grand River Hospital hosts several regional programs including the Grand River Regional Cancer Centre, Hepatobiliary Surgery, and stroke, renal, pediatric and mental health programs.</p>

	<p>The internal medicine program is represented by specialists in cardiology, critical care, endocrinology, gastroenterology, general internal medicine, geriatrics, hematology, infectious diseases, medical oncology, nephrology, respiratory. Additionally, there is diagnostic imaging support with access to interventional DI. The hospitals support a full-time pulmonary function lab, endoscopy unit, non-interventional cath lab, and nuclear medicine.</p> <p>In this position you would be joining our current group of 7 gastroenterologists and your duties will include inpatient consult service, on-call coverage, access to endoscopy time, as well as maintaining a community based practice. In this position you will also have the opportunity to teach medical students and residents through our affiliation with McMaster University Michael G. DeGroot School of Medicine.</p> <p>Candidates must possess or be able to obtain an unrestricted license to practice medicine in Ontario with the College of Physicians and Surgeons of Ontario, and must hold or be eligible for fellowship in Gastroenterology by the Royal College of Physicians and Surgeons of Canada. A candidate with fellowship training in ERCP is preferred. A fellowship in advanced therapeutic endoscopy would also be an asset.</p>
