

Essentia Health

Gastroenterology

Duluth, MN

PRACTICE SPECIFICS

Our Gastroenterology section is seeking an Advanced Endoscopist as part of a planned expansion. Expertise in bariatric endoscopy and/or ESD are preferred. Our section serves a 357-bed tertiary referral center with opportunities for outreach into surrounding communities. The facility features an outpatient endoscopy unit and side by side clinic with 7 endoscopy suites. An IM hospitalist service manages all GI admissions and GI functions as a consultative service. Nine NPs/PAs and nine General GI Physicians support outpatient management of IBS, IBD and liver disease and the inpatient GI consultation service. This position can accommodate subspecialty interests and provides a 1: 3 call schedule.

- Our current group of eleven physicians includes nine general and two advanced endoscopy Gastroenterologists working in a 100% consultative practice.
- Currently offered procedures include ERCP, SpyGlass Cholangioscopy, EUS (diagnostic and therapeutic), RFA, cryotherapy, EMR and enteral stenting.
- Latest model Olympus endoscopes, EUS processors, and Omega fixed table fluoroscopy unit.
- State-of-the-art Digestive Health Center performing a full spectrum of endoscopy procedures
- New hospital under construction with projected opening July 2023
- All GI hospital admissions are managed by IM hospitalist service
- University of Minnesota medical school affiliation
- Teaching, research and outreach opportunities available
- Compensation is guaranteed base salary with incentive for production for the duration of employment, not an RVU based model, no buy-ins.
- Flexible on FTE
- Excellent school districts, ability to live in an urban or rural environment and be minutes from work.

REQUIREMENTS

- BC/BE in Gastroenterology required
- Advanced GI Fellowship required

LOCATION

- Duluth, MN (150 miles north of the north of Minneapolis/St. Paul)
- Regional service area: 490,000
- Physician-led, integrated healthcare delivery system
