

Gastroenterologists

Department of Medicine, Division of Gastroenterology

Across our three hospitals and eight satellite sites, Scarborough Health Network (SHN) is shaping the future of care. Our many programs and services are designed around the needs of one of Canada's most vibrant and diverse communities. We are home to North America's largest nephrology program, as well as the designated cardiac care and spine centre for Scarborough and surrounding communities to the east. We are proud to be a part of the Toronto Academic Health Science Network (TAHSN) and partner with a number of universities and colleges, helping to train the next generation of health care professionals.

The Division of Gastroenterology at SHN consists of a group of dedicated and skilled Gastroenterologists working at three campuses (Centenary, General and Birchmount). The Division provides a full spectrum of GI services. The Division of GI supports the Medicine Program at SHN by providing an exceptional consultation service.

Candidates must have an independent license or be eligible for an independent license with the College of Physicians & Surgeons of Canada (FRCPC) in Internal Medicine and Gastroenterology. Specialty training in IBD, Therapeutics, Hepatology, Motility, Nutrition would be a strong asset but not required.

We invite all interested and qualified candidates to submit an expression of interest and CV to mdcareers@shn.ca.

We thank all qualified physicians for their submissions however only successful candidates who qualify will be contacted to attend a pre-application interview. All appointments are subject to an Impact Analysis and Board approval. The hospital reserves the right not to appoint anyone to this position.
