

Gastroenterologist – Full-Time

Join our team in beautiful Northern Ontario!

The Timmins and District Hospital (TADH) is seeking a full-time Gastroenterologist to join our innovative, multi-disciplinary referral and teaching hospital in Timmins, Ontario, located in Northeastern Ontario.

The successful candidate will have the ability to take over an established practice that includes patient management and follow-ups in a facility that provides on average 3,185 endoscopic interventions per year. Working closely with our General Surgery group, you will be an important part of a highly skilled team, who have advanced training in the provision of colorectal surgery.

You will be joining a team that provides exceptional patient and family-driven care, in a supportive trauma-informed and culturally safe manner. We are looking for passionate, driven individuals to join us in our Mission: Providing Exemplary Care to Northerners. While here, you will enjoy being minutes away from beautiful beaches, hiking trails, ski and snowshoeing, biking, fishing and boating, while still living in a family-centered community!

Position Requirements
