<b>Description of the Offered Position:</b>	<p>At Scarborough and Rouge Hospital (SRH), the patient experience comes first. With three hospital sites (Birchmount, General, and Centenary) and five satellite sites, SRH provides a broad spectrum of health services to one of the most diverse communities in Canada. Created through a merger of The Scarborough Hospital's Birchmount and General sites and Rouge Valley Health System's Centenary site in December 2016, SRH is committed to delivering the highest quality patient- and family-centred care, with a focus on enhancing access to services for the Scarborough community.</p> <p>Patient services include a full-service Emergency department at each site, advanced maternal and neonatal care in state-of-the-art birthing centres, and specialized paediatric care. In addition, SRH is home to a number of regional programs serving the central east Greater Toronto Area and beyond, including cardiac care, nephrology, vascular surgery, and vision care, and is recognized as a centre of excellence in orthopaedic surgery, cancer care, and mental health.</p> <p>The Department of Medicine and Gastroenterology team at Scarborough and Rouge Centenary are seeking a Hepatologist to join our current team. As a staff Hepatologist, you will</p>

	<p>participate in providing GI and Internal Medicine call coverage. You will be provided with access to upper endoscopy, colonoscopy, ERCP, manometry, and 24-hour pH study resources.</p> <p>The candidate must be eligible for independent practice licensure with the College of Physicians and Surgeons of Ontario, and hold certification by the Royal College of Physicians and Surgeons of Canada in Gastroenterology. They will also have additional fellowship training in Hepatology. Emphasis will be placed on candidates with experience working in a community hospital setting as well as candidates with strong communication skills.</p>
